HOW TO - SNOWMAN SPEAKING ACTIVITY SUGGESTIONS

NOTE: this printable is inspired by our Snowman online game. We invite you to look at how it works by visiting its page: <https://www.arabicseeds.com/arabic-game-make-a-snowman/>

1. You can first print out the small key-words flashcards (PAGEs 1 & 2) and introduce them/practice with your children/students. You will practice only orally with small children not yet reading, and you can practice both orally and through reading the flashcards with older children.
2. Print out as many snowman sheets and accessories sheets (PAGEs 3 & 4) as you need depending on the number of children participating in this activity (there can be only you and one child). You can also craft your own snowman!
3. Each child will then request the accessory that they want from you (or from another child) to dress their snowman. OR you can request and they have to give the right accessories. To help you, we provide you with suggested sentences (see NEXT PAGE). You can practice with the children/students and through repetition they will acquire these sentences and then be able to play with the snowman together while speaking in Arabic.
4. Don't forget to re-use in real life the sentences' structures and key words you/your children/your students have learned through this activity!
