

Arabic Seeds' mission: sowing the seeds of the Arabic fluency from early childhood!

- helping families and teachers to incorporate Arabic at home or in the classroom as a LIVING language, and to instill the love for this language through engaging resources and interactive approaches.
- teaching vocabulary and sentences related to meaningful and daily life contexts and topics.
- making learners practice the 4 interconnected language skills: listening, speaking, reading and writing.

ABOUT THIS RESOURCE

The words in the following worksheets have been selected from our Ramadan-themed story «From 0 to 10 in the month of Ramadan» available for free on our website arabicseeds.com.

We recommend that you introduce your learners to this short story, so that it gives a meaningful and enjoyable context to the words included in these worksheets. We think it is important to expose learners to the whole language and not just dry lists of words, so that they better acquire the language, live it and love it.

Included in the worksheets: trace the word,
draw a circle around the correct letters of the word,
color in the pictures.
