

Arabic Seeds' mission: sowing the seeds of the Arabic fluency from early childhood!

- helping families and teachers to incorporate Arabic at home or in the classroom as a LIVING language, and to instill the love for this language through engaging resources and interactive approaches.
- teaching vocabulary and sentences related to meaningful and daily life contexts and topics.
- making learners practice the 4 interconnected language skills: listening, speaking, reading and writing.

ABOUT THESE FLASHCARDS

The words in the following flashcards have been selected from our Ramadan-themed story «From 0 to 10 in the month of Ramadan» available for free on our website arabicseeds.com.

We recommend that you introduce your learners to this short story, so that it gives a meaningful and enjoyable context to the words included in these flashcards. We think it is important to expose learners to the whole language and not just dry lists of words, so that they better acquire the language, live it and love it.

SUGGESTIONS OF ACTIVITIES

Tell the name of each flashcard and make the learner repeat after you - or make him/her read the label if he/she knows how to read - and then use the flashcards in different matching games (from easier to more challenging):

- display the flashcards in front of the learner, tell a name, he/she has to find the right card.
- the opposite: show a card, he/she has to tell the name.
- match each card with a real object or toy.
- read the related Ramadan story slowly, sentence by sentence, the child has to show the right card when he/she hears you say the key word in the sentence.
- use our related free Ramadan sentence strips to play a matching game between the labels, illustrated flashcards and the strips.
